Complex Proceeds of Crime Applications

Andy has developed a sound reputation in matters involving complex POCA matters including:

- – Confiscation Orders
  – Revisits to Confiscation Orders pursuant to POCA s22 and s23
  – Third Party Interventions in POCA proceedings pursuant to POCA 2002 s10A
  – Account Freezing Orders and Account Forfeiture Orders pursuant to POCA 2002 s303Z14
  – Cash Forfeiture Orders pursuant to POCA 2002 s298

Instructed variously by CPS, Police, Border Force, HMRC, NCA and Respondents both corporate and individual.

Instructed to apply for and respond to Account Freezing Orders across the UK, providing tactical advice to applicants and respondents at every stage, assisting in the collation of evidence bundles and appearing before AFO courts to make and respond to oral submissions.

He is frequently instructed on a privately-paid basis to represent the interests of third parties under s10A POCA, representing family members, business associates and corporate bodies as intervenors in POCA proceedings.

Andy delivers Professional Development seminars to CPS, Environment Agency, Defence Solicitors and Investigators in the UK and overseas on topics stemming from the Confiscation and Forefeiture regimes, allying up to date caselaw knowledge with strategic experience borne of seventeen years at court specialising in Confiscation.

He can effectively lead a client through the strategic demands of the reverse evidential burden, enlisting his established panel of trusted experts and his experience of novel and effective evidence gathering techniques, to guide the construction of the respondent’s case. Andy enters negotiations already held in high regard by Financial Investigators across the North for the clarity of his analysis and ability to successfully conclude applications.

Ranked in Chambers and Partners – POCA Work and Asset Forfeiture since 2022.
